STATEMENT BY MINISTER

Correcting the reply given in the Rajya Sabha on the 13th March, 1989 *to* Unstarred Question 1990, regarding foreign financial assisatance *to* power projects under execution.

In reply to parts (a) and (b) of the Unstarred Queston No. 1990, it was stated in the Annexure against S.No. 10&11, that source of external assistance for An para 'B' Thermal Power Project and Faichur Thermal Power Project (Unit-IV) is Asian Development Bank.

2. Subsequently a similar Unstarred Question was admitted for reply in the Lok Sabha on 4-4-1989. While framing the reply to the Lok Sabha Question it was noticed that the source of external assistance for **the** above mentioned Thermal power projects which is O.E.C.F. of Japan was inadvertantly shown in the reply to the above mentioned Question No. 1990 as Asian Development Bank. The source of external assistance for An para 'B' Thermal Power Project at S.No. 10 and Raichur Thermal Power Project (Unit-IV) at S.No. 11 may be read as O.E.C.F., Japan instead of Asian Devlopment Bank. This statement is, therefore, being laid in the Rajya Sabha. The delay and the error are both regretted. [Placed in Library-.See No. LT. 7780-A/89]
